Importance: High

Dear Chamber Members,

If you support the ROAD, it is very important. that you submit comments on the STIP (Statewide Transportation Improvement Plan) in support of the project by email by the close of business today. The email address is:

dot_stip@dot.state.ak.us

We need as many emails as possible.

Statements can be simple (see below):

1. I support the Lynn Canal Highway project in the STIP.

2. Please provide full funding for the Lynn Canal Highway project in the STIP.

You can elaborate as much as you want but the key is quantity, not quality. Let's get as many emails as we can submitted to DOT by 4:30 today. And please forward this notice to fellow Lynn Canal Highway supporters.
