

STATE OF ALASKA, DOT&PF DIVISION OF PROGRAM DEVELOPMENT NOTICE:

**Amendment 1 to the 2016-2019 STIP is currently available for public review and comment.
Public Comment period closes August 19, 2016 at 5:00pm AST.**

Amendment 1 addresses scope, funding, and scheduling issues on various projects around the state. This amendment also includes technical changes such as implementation of Phase 0 as well as redefining Phase 9. In an effort to better align with the Federal-aid highway program's Fiscal Management Information System (FMIS), Phase 0 replaces Phase 9 as the new Multi-Phase designation. Phase 9 is now used to identify projects which will not result in physical construction.
